Parent Portal Registration

5. This is where you will log into infinite campus if you know your login information. If your account has been disabled or you are new to the portal please follow the next steps.

6. Click on the little orange arrow in the lower right hand corner of the white box. This will open up the page for more choices.

7. Here you will click on either *Account Disabled* or *New to the Portal*. Both of these links will open up an email box. You will answer the appropriate questions and someone will get back to you with your portal information.
